Georgia King Village
Pride & Beautification Committee

November 1999

Georgia King Village Pride & Beautification Committee was established October 1999 and consist of members from the Georgia King Village community.

Our mission is to continuously ensure and improve the cleanliness and beauty of Georgia King Village.

A cleaner, brighter and lighter Georgia King Village is good for business, visitors and all of us. A beautiful community help build a better economy, reduces crime and builds pride in our community.

The committee has created a year-round LITTER PREVENTION CAMPAIGN as part of its energetic beautification efforts. Anyone is welcome to join this committee. There are lots of projects and ideas that can be shared.

By working together we can better accomplish what is difficult or impossible to do alone. Combined time and effort allows for a greater exchange of ideas and information as well as more equitable distribution of duty and responsibility. The neighborhood that makes decisions and takes action as a group achieves a higher level of security and power.

LETS CLEAN UP GEORGIA KING VILLAGE, one apartment at a time, for additional information contact Mrs. Cureton, Mon.-Fri., 9am-5pm., at 973-643-9063. Thank you.

TAKE PRIDE IN YOUR COMMUNITY. KEEP OUR NEIGHBORHOOD LOOKING GOOD.
